Dear Conservation Committee,

Please accept this email as my request for an extension of time to prepare for our meeting with you. Based on the committees recommendation, we requested counsel from Scott at Foresite Engineering (original engineer). We contacted him weeks ago and at that time he agreed to help. With many unreturned phone calls since then, I finally reached him today. He agreed to address the committee next Wednesday night, however, he did not have an agenda that could be discussed with "us" prior to this meeting. Today, he informed me at the last minute that he is too busy to focus on our issue right now.

Therefore, I request additional time to hire a new engineer to research solutions that will help us all come to a common ground. I will also need time to hire a lawyer to address the issue of the "missing restriction" in our Deed at the time we paved the driveway. I apologize for this last minute request, unfortunately it is out of my control.

Could you please advise? Thank you,

Steve and Rachel Kelley 70 Newtown Rd.
